1. Your request for "budget materials for the fiscal years 2017, 2018, and 2019, all budget materials or plans applicable to offices responsible for processing and responding to FOIA requests and appeals submitted to the Commission and its offices" continues to be pending.

This office will need additional time to respond to the above information as we are awaiting collection of responsive records from Program Offices separate from this office. Upon receipt thereof, we will need to examine each set of responsive records, prior to release to you.

2. Your request for "staffing orders/reports/contacts for fiscal the years 2017 and 2018; staffing reports and plans, including the count of employee numbers and for offices responsible for processing and responses to FOIA requests and appeals submitted to the Commission and its offices" is granted in part and denied in part.
 - a. The above referenced information is already publicly available online, via EEOC's 2019 Chief FOIA Officer Report and FY2017/2018 Annual FOIA Reports. See the following link: <https://www.eeoc.gov/eeoc/foia/resources.cfm>.

COMMENTS

3. Your request for “all staffing reports and plans for the fiscal year 2019” is granted.

The above referenced information is already publicly available, via EEOC's 2019 Chief FOIA Officer Report. See the following link: <https://www.eeoc.gov/eeoc/foia/resources.cfm>.

4. Your request for “contact information, including email addresses and phone numbers (if available), for each FOIA officer currently tasked with an open public records request” is granted.

EEOC's current FOIA contact information is already publicly available online. See the following link: <https://www.eeoc.gov/eeoc/foia/contact.cfm#district>.

5. Your request for “FOIA requester categories for the fiscal years 2017 and 2018 and the designated category of each requester of a FOIA request to this office” is granted.

Please find the responsive information, 1 page, attached indicating this Agency's FOIA requester categories, along with the number of requesters that utilized each category during the fiscal years requested.

6. Your request for “FOIA fee waivers for the fiscal years 2017 and 2018; the number of fee waivers granted by this office and, if available, the tracking numbers for the FOIA requests to which waivers were granted” is granted.

The above information is already publicly available, via EEOC's FY2017/2018 Annual FOIA Reports. See the following link: <https://www.eeoc.gov/eeoc/foia/resources.cfm>.

7. Your request for “any report capturing [the following] FOIA fee collection for the fiscal years 2017 and 2018” is granted in part and denied in part.

- a. “The estimated processing and copy fees quoted to FOIA requesters” is denied. The FOIA statute does not require an Agency to report estimated costs in its annual report to DOJ, therefore, billing information at this time is irregularly captured in FOIAXpress, EEOC's current electronic tracking system. This information, if released, would be unreliable.
- b. “The total processing and copy fees collected by the Commission from each fee category” are already available online, via EEOC's FY2017/2018 Annual FOIA Reports. See the following link: <https://www.eeoc.gov/eeoc/foia/resources.cfm>.

As an end note, please be informed that the FOIA statute requires Agencies to provide specific information in their annual reports; such as portions of your request enumerated as 2a, 6, and, 7b above.

This request was prepared by Joanne Murray, Government Information Specialist, who may be reached at (202) 663-4715.
